LETTER DATED 19 JULY 1992 FROM THE PERMANENT REPRESENTATIVE OF IRAQ TO THE UNITED NATIONS ADDRESSED TO THE PRESIDENT OF THE SECURITY COUNCIL

With a view to dealing with the predicament relating to the building of the Ministry of Agriculture and Irrigation, my Government makes the following proposal:

> "Iraq shall invite a group of experts from the States of the Non-Aligned Movement and possibly from other States, such as China, Austria and Sweden, to visit the building of the Ministry of Agriculture and Irrigation and to inspect its contents in order to ascertain that no materials or documentation relevant to resolution 687 (1991) are present. Such visit shall be outside the mandate of the Special Commission."

I should be g ateful if you would have this letter circulated to the members of the Security Council as a document of the Security Council, and I shall be glad to convey to my Government any clarifications that you may seek, regarding the implementation of the above-mentioned proposal.
